Group ticketing / payment method

Choose your preferred workflow: Easy e-boarding or conventional direct payment at station.

Ticket purchase and handling process (full service by credit card)

- Please kindly provide us with your credit card details for incorporation within our reservation system.
- Upon making a group reservation, our system will create your group ticket (eTicket)
- 10 days before the trip you will receive the group ticket by e-mail together with the details of the specific seating that has been reserved.
- Your tour guide is no longer required to go to the ticket counter before the train's departure. This saves time.
- On the train, the tour guide must show two documents:
 - a) Group ticket (e-ticket).
 - b) Group reservation confirmation.
- Invoices for eTickets together with the reservation fees will be issued monthly, post-departure. These are sent by email.

Direct payment at station

- Purchase at the station at least 45 minutes before departure or even the day before.
- Make your group booking prior to the date of travel.
- On the travel date or the day before, the tour guide can pay for the group ticket and seat reservation fee directly at the ticket counter, simply by showing the booking confirmation.
- Tickets and seat reservations are then issued before departure at the train station. Payment with cash or by credit-card only.
